Hello All:

I want to work for any of the above listed entities: I could work exclusively for one or do projects for any grouping of them in a stable and ongoing manner.

Since I realize that this is a nontraditional way to broach employment, it is my proposal that I do so in the following manner:

- ◆ You review my online presence:
 - [My Primary Site.](#)
 - [My Essay Site.](#)

Based upon that review, you can determine how I can best assist you.

- ◆ Initially, I could be emailed projects that I would complete & then return. I could either do the assignments unpaid or employed on a provisional basis (\$20 per hour US).
- ◆ If you find my work acceptable, you could hire me on a full time basis (\$20 per hour US – but would not say no to more). Given the current political & social climate the US, I would like to relocate to Canada (and obtain dual citizenship).

I created this slideshow explicitly for you about these ideas:

My most recent essay (2-25-25) is:

[Our Descent Into Madness \(A look at just some of the depraved and unhinged s--- that Trump is doing\)](#)

In this essay, I embedded:

[A video directed to Elliot Page.](#)

The first video that I did as part of my 'Writing Project' was posted on May 20, 2024: It too was:

[A video directed at Elliot Page.](#)

This video was embedded in an essay that I posted on May 20, 2024:

[I Made a Vlog Asking Elliot Page To Read My FREE Online Novel \(An Open Letter \(with Vlog\) to Elliot Page\)](#)

While I am sharing 'blasts from the past':

Here's one that I posted on February 01, 2024:

Here's one that I posted it on August 25, 2024

I look forward to speaking with you.

Namaste and Shalom,
