I converted to Judaism while I was dealing with some pretty profound personal issues (that culminated in homelessness). A couple years ago, I began developing an online presence (writing samples). I wrote about my embrace of Judaism: I also created videos where I discussed this aspect of my life.

**Here are a few essays where I discuss my relationship to Judaism:**

[The godless God, the Devil and Free Will: Spirituality in the age of Trump \(Oct 27, 2024\)](#)

[The godless God, the Devil and Honor: A practical consideration of Honor in the age of Trump \(Nov 28, 2024\)](#)

[Things are spinning out of control fast: We're looking at the genocide of LGBTQ & Jews \(I'm both\) \(Jun 14, 2025\)](#)

**Videos that I sent Synagogues and Jewish Organizations (embedded in an email):**
