Dear Mr. Newberger,

I want to work in you in a UNPAID capacity. Working 100% gratis, I would be emailed assignments that I would then complete.

I want to prove myself.

Should the quality of my work prove to be acceptable, it is my hope that then a salaried arrangement could be discussed.

I present my both my website [John Eisenhower's Writing Project](#) and my essay page [John's Substack | John Eisenhower | Substack](#) as a portfolio of my growing body of work.

While I am at it, I invite you to check out my most 2 most recent essays: [The godless God and the Free Will Paradox \(substack.com\)](#) & [The godless God, Existential Dysphoria and Mediocrity.](#)

On October 13, 2024, I sent you a request regarding me doing an unpaid assignment for you to your Threads. In the post, I included a brief video:

I am very eager to do work for Ironbound Films – and other like-minded creative ventures – on an unpaid basis. I would be in Denver Colorado, and you could email me writing assignments which I then complete and send back to you.

Namaste and Shalom,

John Eisenhower
