

Hi John,

I apologize for the delayed response. I will be sending over that document with job recommendations this afternoon, it's been Capitol. Unfortunately, I am unable to meet in person. I would be happy to refer you to constituent services where they might personalized time and advice.

Chat soon,

Liz

John,

Attached is a document with some open job opportunities. There is a mix of remote and in-person jobs, as well as some paid internships that I think would be really good for you. If you need further assistance in your search, let me know and I will refer you to constituent services.

Nice chatting with you!

Best,

...

Liz
