

## John Eisenhower's Market Videos (Rants)

"Oh...hey. This thing has a camera in it."

Here are the videos that I made to both market my writing website and pursue my campaign to be a writer in Hollywood. Every time that I posted a new chapter of my book [Brandon Gets His Big Break](#) or one of [my essays on substack](#), I sent out one of these videos. For the most part, I would target a specific individual (a decision maker in the creative community) and post the URL link to a given video on the social media sites Threads, Facebook and Instagram.

They are in reverse chronological order.

This is a complete list as of Wednesday September 11, 2024.
