

The Intelligent Way to Plan.

77 Legacy Africa Limited is one of Africa's largest investment, infrastructure, engineering, project management and construction companies.

77 Legacy Africa Limited offers construction services in terms of housing, power plants, smart cities, roads, airports, seaports, etc. We handle various industrial, distribution, manufacturing, office, retail, hotel, medical facilities and commercial projects throughout Africa, Caribbean and the America's.

77 Legacy Africa Limited is a leader in providing value-added engineering, program management and construction services to our customers by creating a successful partnership with them throughout the construction process. Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the engineering, project management and construction team.

Our Mission.

It is our mission to provide platinum services exceeding our customers expectations, building satisfying careers for our people and creating value for our stakeholders. To help fulfill this mission, we treat all employees fairly and involve them in the quality improvement process to insure responsiveness and cost effective work execution.

We are easy to find.
