### Texas Common Course Numbering System (TCCNS) Transfer Opportunities:

Western Texas College participates in the Texas Common Course Numbering System, a statewide initiative that facilitates the seamless transfer of academic credits between Texas public colleges and universities. This standardized system ensures that students can complete lower-division coursework at Western Texas College with confidence, knowing their credits will be recognized by receiving institutions. Through TCCNS, students are well-positioned to transfer into higher-ranked universities across Texas, including:
