

COLLEGE HEADSTART PROGRAM

HIGH SCHOOL DUAL ENROLLMENT PROGRAM

**ACCELERATE YOUR FUTURE:
EARN COLLEGE CREDITS BEFORE
GRADUATING HIGH SCHOOL**

D.R.E.A.M. College Head Start Program offers high school students an exceptional opportunity to get a jumpstart on their college education while still completing their high school diploma.

Through our partnership with over 30 higher education institutions, students can participate in a dual enrollment program that allows them to take college-level courses, earn college credits, and even graduate with an Associate's Degree before finishing high school.

THIS PROGRAM IS DESIGNED FOR AMBITIOUS STUDENTS LOOKING TO MAXIMIZE THEIR ACADEMIC POTENTIAL AND MINIMIZE THE TIME AND COST OF THEIR COLLEGE EDUCATION.

WHAT IS DUAL ENROLLMENT?

Dual Enrollment is a pathway that enables high school students to take college-level courses while completing their high school education. Students earn both high school and college credits simultaneously, allowing them to fulfill high school graduation requirements while also making progress toward a college degree. Participants in the program have access to the same resources as full-time college students at U.S. institutions, including instruction from college professors and access to academic support services.

PROGRAM FEATURES

- ✓ **Extensive Course Selection:** Access to over 1,800 college-level courses across diverse subjects, ensuring students can explore their academic interests.
- ✓ **Flexible Learning Options:** Choose from asynchronous or hybrid courses to accommodate your schedule and learning style.
- ✓ **Instruction from College Instructors:** Learn directly from experienced college professors, gaining valuable insight and preparation for higher education.
- ✓ **Transferable Credits:** College credits earned are widely accepted at many U.S. institutions, making it easy to continue your education.
- ✓ **Early College Pathway:** Graduate high school with an Associate's Degree in 25+ majors, significantly reducing time and cost to earn your bachelor's degree.
- ✓ **Personalized Academic Support:** Receive guidance from dedicated Learning Coaches to help you succeed in both high school and college coursework.

STUDENT BENEFITS

- ✓ **Accelerated Path to a College Degree:** Save time and money by earning college credits while still in high school.
- ✓ **Affordable Education:** Reduce future tuition costs by completing up to two years of college early.
- ✓ **Seamless College Transition:** Enjoy a smooth transfer to many universities with advanced standing, making your transition into a bachelor's degree program easier.
- ✓ **College Readiness:** Gain early exposure to the rigor of college-level courses, giving you a headstart in adjusting to full-time college studies.
- ✓ **Bypass the Traditional Freshman Application Process:** Transfer directly to partner colleges and universities without going through the standard freshman application process.
- ✓ **Increased Scholarship Opportunities:** Many colleges offer scholarships tailored to students who have completed dual enrollment programs.
- ✓ **Early Workforce Entry:** Graduate high school with an Associate's Degree and have the option to immediately enter the workforce with marketable skills.
- ✓ **Fast-Track to a Bachelor's Degree:** Seamlessly transfer to a 4-year university and complete your Bachelor's Degree in just two more years, allowing you to enter the workforce sooner.
- ✓ **Study from Home:** Attend U.S. college courses remotely, allowing you to stay in your home country while earning credits from accredited institutions.

ADMISSION REQUIREMENTS

- **Currently enrolled in Grade 10, 11, or 12**
- **Minimum GPA of 3.0**

Our simplified enrollment process eliminates many common barriers to college entry, making it easier for you to get started:

- **No college application required**
- **No personal essay needed**
- **No international transcript evaluation**
- **No SAT/TOEFL/IELTS or other standardized tests required**

TRANSFER OPTIONS

Upon completing D.R.E.A.M. College Head Start Program, students can seamlessly transfer their earned credits to numerous universities across the U.S. to continue their bachelor's degree. Our partnerships with Associate Degree-awarding institutions ensure a smooth transition into higher education, with options to complete undergraduate programs in a variety of disciplines.

DUAL CREDIT OR DUAL ENROLLMENT?

UNDERSTAND YOUR OPTIONS

Dual Credit means students earn both high school and college credits simultaneously. These courses are specifically approved by the student's high school to ensure they meet high school graduation requirements while also allowing the student to earn college credit.

Dual Enrollment allows high school students to take college-level courses while still enrolled in high school. These courses are taught by college instructors and provide students with the opportunity to earn college credit. However, dual enrollment courses do not automatically count toward high school graduation requirements—only college credit is earned.

While dual credit is not required to enroll in the D.R.E.A.M. College Head Start Program, it is an option for students who wish to earn both college and high school credits. Dual credit courses must be approved by the student's local high school to ensure they meet graduation requirements.

How We Support the Dual Credit Application Process

Our team is here to guide students through the dual credit application process, including:

Application Assistance: Help with applying for dual credit through your local high school.

Course Approval: Ensure selected courses meet both high school and college credit requirements.

Credit Approval Support: Provide support throughout the credit approval process.

ADDITIONAL DUAL ENROLLMENT PROVIDERS

In addition to our featured associate degree partners, we collaborate with a broad network of institutions to offer variety of dual enrollment options:

Andrews University Global Campus
