DECLARATION

The undersigned, Michael Floymayr, herewith states the following:

I am a German registered patent attorney having an office in Magstadt, Germany.

During June 2018, I conducted a search for any trademark registration or application which may have been owned by Rud. Ibach & Sohne or any company having the name Ibach therein.

A copy of my search results are attached hereto as Exhibit "A".

I herewith state that according to my search no company bearing the name Ibach ever obtained any rights to the trademark SCHIEDMAYER in Germany, either by original filing, by assignment or any other transfer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements on information and belief are believed to be true; and further that those statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title

18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any trademark issued thereon.
