

With respect to the Declaration of Use filed with respect to Registration No. 3,340,759, set forth the basis for the allegation that the trademark SCHIEDMAYER was in use in commerce in the United States at the time of filing of the Declaration of Use.

As the photograph of the piano filed as the specimen with the Declaration of Use indicates, a piano forte bearing the mark SCHIEDMAYER was for sale on the sales floor of the Hollywood Piano Company. As the Hollywood Piano Company is frequented by buyers from in and out of the state of California, markets its activities on the internet (an instrumentality of interstate commerce), etc., the trademark SCHIEDMAYER was in use in interstate commerce as of the time of filing of the Declaration of Use.

Respondent reserves the right to supplement/correct the foregoing with relevant information as discovery progresses.

Dated: January 8, 2016

Respectfully submitted,

Glenn Treibitz

Respondent, Piano Factory Group, Inc.

Respondent is unable to comply beyond what it has produced during its initial disclosures due to the reasons outlined in Document Request No. 5.

DOCUMENT REQUEST NO. 11:

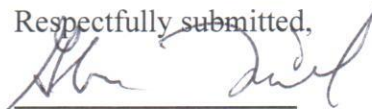

On April 18, 2014, Cheryl Fox, Vice President of Registrant, having agreed that willful false statements and the like are punishable by fine or imprisonment or both, stated that the mark SCHIEDMAYER has been in continuous use in commerce for five consecutive years from the date of registration or the date of publication, and is still in use in commerce in connection with grand pianos. Please produce all documents, including, without limitation, documents relating to promotion and sales and manufacture of grand pianos which supports this allegation.

Respondent is unable to comply beyond what it has produced during its initial disclosures due to the reasons outlined in Document Request No. 5. Respondent notes that the piano in the photograph used as a specimen for the renewal appears to be a grand piano.

Respondent reserves the right to supplement/correct the foregoing with relevant information as discovery progresses.
