**PETITIONER'S  
MOTION TO SUSPEND PURSUANT TO TBMP § 510  
AND 37 CFR 2.127(d)**

Petitioner herewith moves for an Order suspending further prosecution of the subject Petition for Cancellation pending a decision on Petitioner's Motion for Summary Judgment filed July 22, 2016.

TBMP § 510 provides as follows:

“When a party files a motion...for summary judgment...which is potentially dispositive of a proceeding, the case will be suspended by the Trademark Trial and Appeal Board with respect to all matters not germane to the motion...”

Petitioner's Motion for Summary Judgment is dispositive of this entire proceeding. The basis of that Motion is that Respondent is a suspended corporation, not entitled to do business of any kind or to defend an action in court. Additionally, the basis of the Motion is that Respondent filed a Declaration of Use at a time when it was suspended and therefore the Declaration of Use is a nullity.

Petitioner's Motion is dispositive of this entire proceeding.

Accordingly, suspension of proceedings is respectfully requested.

The discovery term in the subject proceeding is still open. In the unlikely event that Petitioner's Motion is denied, it is requested that the discovery term remain open for an additional period of two months in order to enable Petitioner to depose the Respondent.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'MJS', with a long horizontal flourish extending to the right.
