**REQUEST FOR SUSPENSION OF PROCEEDINGS**

On May 12, 2016, Petitioner caused to be filed a Request for Reconsideration pursuant to TBMP § 518 asking that the *sua sponte* striking of its claim of fraud in the maintenance of the registration be reconsidered.

Petitioner now requests suspension of proceedings pending a determination of the subject Request for Reconsideration.

The reason therefore is that Petitioner cannot correctly and accurately formulate its discovery requests until such time as Petitioner knows whether or not its fraud claim can be maintained.

Additionally, Petitioner intends to take the deposition of the Registrant. Petitioner cannot correctly depose the Registrant until such time as Petitioner knows the

exact issues involved in the subject cancellation proceeding, and more particularly, whether or not its claim to fraud may be maintained.

In view of the above, suspension of proceedings pending determination of Petitioner's Request for Reconsideration is respectfully requested.

Respectfully submitted,

Michael J. Striker  
Attorney for Petitioner
