

Manchester Vehicle Parking

There is a large NCP car park directly beneath Manchester Central. Discounted parking can be arranged for exhibitors/delegates. Arrangements must be made at least 10 days before the event and there is a maximum of 250 spaces available per day. Unfortunately, we cannot offer refunds. Find out more: <https://www.manchestercentral.co.uk/getting-here>. There are also several other large parking facilities within a short walk of the venue.

Please Note: Parking prices listed are an approximate guide only and may vary. Anyone using the car parks should do so at their own risk.
