

KH-2050 American V-Twin

Product Segment: Lubricants

Product Category: Motorcycle

Product Sub-Category: V-Twin

Description: High-performance 20W-50 lubricant for Harley Davidson V-Twin engines.

Features:

- Additive package provides outstanding oxidation protection, detergency, and shear stability.
- Minimizes engine wear (especially around valvetrain components during start-up).
- Improves piston ring sealing for increased power and efficiency.
- Reduces oil operating temperatures and mitigates detonation.
- Meets performance requirements for API SN (quality category).
- Carries the signature Klotz scent.

Applications:

- Developed specifically for Harley Davidson Sportster Evolution[®], Evolution Big Twin[®], Twin Cam[®], and Milwaukee-Eight engines[®].

Technical Information:

Test Method	Test Description	20W-50				
	Product Color	Red				
D445	Kinematic Viscosity, 40°C (cSt)	183.63				
D445	Kinematic Viscosity, 100°C (cSt)	21.08				
D2270	Viscosity Index	136				
D92	Flash Point (°C)	231				
D97	Pour Point (°C)	-33				
D4052	Density @ 15.56°C (g/mL)	0.8674				

KH-2050 American V-Twin

Directions for Use:

- Fill crankcase to manufacturer’s recommended level.
- Klotz recommends a 500-mile drain interval for a new engine’s 1st oil change, and a 1000-mile drain interval for a new engine’s 2nd oil change.
- The drain interval can be extended to 2500-miles for all subsequent oil changes.

Ordering Options:

Part No.	Bottle Volume	Bottles Per Package
KH-2050 20W-50	1-Quart Bottle	1 Bottle / Package
KH-2050 20W-50	1-Quart Bottle	10 Bottles / Package
