

KH-S80 Gear & Chain Case Lubricant

Product Segment: Lubricants

Product Category: Motorcycle

Product Sub-Category: V-Twin

Description: High-performance 75W-80 gear and chain case lubricant designed specifically for Harley Davidson Sportster® models.

Features:

- Provides outstanding wear and oxidation protection, detergency, and shear stability.
- Promotes smoother operation of the clutch and can reduce clutch temperature.
- Reduces driveline friction and facilitates smoother/quieter shifting.
- Protects hardware from excessive wear during shock loading.
- Can extend the life of gears and bearings.
- Carries the signature Klotz scent.

Applications:

- Compatible with combined gear and chain case systems.
- Developed specifically for 1971 or later Harley Davidson Sportster® XL and XR models.
