

We started the year off strong with a vacation to Disney World with Taya's parents. This was Liam's first time on a "Miller Family Vacation", and it was here that he realized what she meant by the chaos her family can ensue.

*Cindy got us "drinking around the world" t-shirts*

We don't remember much from our day at Epcot, except a couple of friends we picked up along the way.

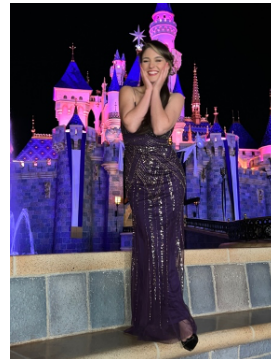

*Shots of tequila all around!*

*Doyle with his many hats*

We attended the Disney100 event at Disneyland.

*Pit Stop: Animation Academy*

The rest of January was filled with friends, premieres, and Harry Styles.

*Teen Wolf Premiere*
