Taya attended the Barbie Premiere with Natasha.

Liam worked the Haunted Mansion Premiere! Liam interviewed Tania Norris, who made the iconic purple wallpaper of the ride, and Bob Gurr, one of the most (if not the most) legendary Imagineers ever. Liam then rode the actual ride with him.

Cindy (Taya's mom) came for a visit to California for "her birthday" ... or so she says (we think she just wanted to spend time with her grandkitties).
