

We celebrated both of our birthdays!

*For Taya's: a photoshoot + Disney (shocker!)*

*For Liam's: Benihana*

Liam's first voice-acting role, "Spider-Man: Melting Point," was published! We went to the Paramount lot to watch Dungeons and Dragons. Then, to the John Wick 4 premiere.

*Liam voiced Harry Osborn*

*The dog didn't die.*

*The first of many covid popsicles*

Taya got signed to A3 Artists Agency!

*Her face after she got the call that they wanted to sign her*

The rest of March was our Padme and Anakin photoshoot and comic-con!

*Don't worry, Liam didn't turn to the dark side.*

*Taya brought her parents to their first Comic-con, C2E2!*
