ABOUT ME

Residing in this alpine heaven since 2018, I have grown to call this place home. Having travelled extensively throughout the country, I have had an exposure to its vast and scenic landscape, its multicultural hues of tradition and customs and the delectable cuisine it has to offer!

WHY THE LITTLE MISS SWISS?

I am the only guide in Switzerland to offer tours in English, Hindi, Gujarati, Marathi and with my expansive network I also provide fleet services (luxury vehicles with chauffeur) to ensure a comfortable holiday experience for you.

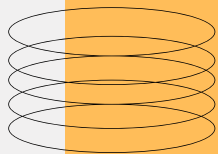

IF TRAVELLING IS MEDICINE, THEN A TRAVEL GUIDE IS...?

Whether you're traveling by the Swiss Travel Pass or by your private coach, if you're a large gang of friends or an intimate group of family members - in a country where language barriers can cause mayhem on your holiday, wouldn't it be delightful to have a tourist guide that can speak 4 Indian languages and can accompany you ensuring you have a seamless experience? The Little Miss Swiss is your one-stop shop for the perfect Swiss holiday!
