Class Description & Rules

- **Most Festive** – Jingle bells, lights, hats, you name it, we want to see it! Show off your most creative outfit for you and your horse! We'll let the judge decide who is most festive! Walk ONLY.
- **Don't Drop The Elf** – Grab a spoon and an elf and take'em for a ride, but don't drop him or her! Last man standing is our winner!
- **Santa Says** – Listen closely and only do what "Santa Says" Last man standing is our winner!
- **Musical Ornaments** – It's a "horsey" spin on musical chairs. Enjoy the Christmas music, but when the music stops you have to race to an ornament as fast as you can AND you're only safe when on an ornament you stand!
- **Candy Cane Weave** – A Christmas spin on pole bending! A timed class
- **Over The Fences We Go** – *****FREESTYLE***** Fences will be set at varying heights (12", 18" and 2') Riders will pick ANY 3 fences they would like to jump.
- **Run, Run, Rudolph** – A Christmas spin on the classic barrel race pattern. Timed event
- **Ornament Relay** – Relay race... get in teams and take turns carrying ornaments to the bucket. Teams must work together with only one instrument to move the ornaments. Team who fills their bucket the fastest wins.
- **Prancers Panty Race** – Race to the barrels, dismount, grab one item out of each bucket (scarf, antlers and panties - **no choosing, if you touch it you take it!**), get dressed, mount and race back! Fastest time is our winner!
- **Santas Helpers** – ****Relay race**** You and your partner will take turns carrying presents from the starting point, through the pattern and drop off in the barrel to be loaded on Santa's sleigh! Riders must wait for their partners to return to "home" before leaving with another present. First team to fill their barrel wins.
- **Comets Snack Attack** – You and your horse ride the pattern, stop for some much needed fuel and carry on. Riders must stop at the barrel, eat two small cookies, drink a cup of milk and feed their reindeer (horse) a carrot. (Riders are not required to dismount but it is allowed!) Please make sure to finish eating before going "home" and use a halter to ride this class, we don't want horses or humans to choke! Timed class!
- **Wreath Toss** – Riders go one at a time, you have 2 minutes to get as many wreaths tossed onto poles/cones as possible. Each correctly tossed wreath earns you 5 points! Rider with the most points is our winner!
- **Dashers Dig** – Riders draw a card from the stocking, walk or trot through the pattern, dig through the tubs, find your item and return home with it. Fastest time is our winner!

- **Frosty's Freeze** – Listen to the commands, but when the music stops you must FREEZE! Don't move! If you or your horse moves you're out. Last man standing wins!
- **Cupid's Candy Cane Race** – Riders start at the center, grab a candy cane and one at a time they will travel to the numbered stockings and place the candy cane inside. Finish them all with the fastest time and you win!
