ほんと おめでとう

I have 1327 Friends says Facebook.

When I was 15, (2009) I made my Facebook account. At that time I became an exchange student in Denmark.

I used it a lot to communicate with my classmates and other exchange students there.

tak for i går! det var meget dejligt sammen med jer,

❤️❤️ P.S. jennifer

jeg synes at jeg kan godt hende dig på station på fradag 😊

Love

I know you graduated from college

I know you got a dream job

I know you got married

I know you got children

but I feel like i know nothing about it

I feel like i know nothing about.....

Facebook says I have  
1327 Friends,

Facebook says I have 1327 Friends,

but I don't know how many of them are my Friends. Maybe some of them were. Or some of them were never.

So I want to start with “Friend”s in Denmark, meeting face to face, asking
