# Summing up the 1<sup>st</sup> presentation:

- Gaden Je (དགའ་ལྷན་རྒྱལ་མཚོ།), known to the public as Prof. S. Niggol Seo, made the following revelation on December 1, 2023:

*“I am Lama Tsongkhapa reborn in this life after six hundred years of utter peace.”*

- This revelation was included in his book entitled “Buddha, Wisdom and Economics” published soon afterwards (Seo 2024a, page 146).

# Summing up the 2<sup>nd</sup> presentation:

Six months later, on June 1, 2024, Prof. S. Niggol Seo made the following second revelation through his book entitled “Protecting Nature with Buddha’s Wisdom”:

*In the previous book, the present author stated that I am certain that “I am Lama Tsongkhapa reborn after six hundred years of utter peace,” which attracted some people’s attention (Seo 2024). Let me clarify this a little bit. The revelation was based on the utterly unimaginable life experiences of the present author which in retrospect are truly profound as well as auspicious. In brief, I had a very personal meeting with Lama Tsongkhapa for eleven times during the seven-year period from 2017 to 2023 who appeared to me in a dream-state form as well as in an awakened-state form. Through these meetings which were, in hindsight, flawlessly planned and gradually presented to me by Je Lama, he made sure secretly that I am certain without any slightest doubt that I am indeed Lama Tsongkhapa himself. During this period, many bodhisattvas, yoginis, and dakinis also appeared to me for over a dozen times carrying a special message in relation to the gentle protector Lama Tsongkhapa.*

*In my previous book entitled Buddha, Wisdom and Economics, I told my audience that I am Lama Tsongkhapa reborn in this life after six hundred years of utter peace (Seo 2024a). Following up with that revelation, I also revealed in the book entitled Protecting Nature with Buddha's Wisdom how I attained the certainty on that discovery through the eleven unimaginable meetings with Lama Tsongkhapa during the seven-year period from 2017 to 2023 (Seo 2024b). Let me clarify this further. Each of those meetings was not a brief encounter but rather a carefully planned transmission of knowledge. To be specific, he gave detailed instructions to me on each of his three most profound treatises and one subsidiary treatise. Each instruction was as detailed as a book-length exposition. In addition, he gave a pithy instruction on each of his three perfect treatises for which he is renowned to the Buddhists all over the world. Through these personal and direct transmissions alone during the seven-year period, I was able to return to the profundity and perfection of Lama Tsongkhapa who is reputed as Vajradhara Buddha, which was his intention. This book is one of the fruits of my inconceivable encounters with Je Rinpoche.*

## **Summing up the 3<sup>rd</sup> Revelation:**

On December 1, 2024, Prof. S. Niggol Seo made the third revelation through his book entitled "The Economics of Singularities of Science Elucidated with Buddhist Thoughts":

# Summing up the 4<sup>th</sup> Presentation:

On June 1, 2025, Gaden Je made the fourth revelation through his book “Elucidating the Sustainable Political Economy of Buddhist Nations” published by Jelden Par in May 2025:

*To the readers who are following my revelations about Je Rinpoche, I am pleased to further clarify that the twelve meetings with Lama Tsongkhapa were not intellectual exercises at all but deeply emotional and disturbing experiences. In each of the meetings, he would take me to one of the most important places or events of his life and Pari nirvana, for example, his writing of Lekshe Ningpo (True Eloquence). Although these are all hidden teachings of Buddhism, it will be of great interest to the followers of Je Lama today and in the future and the public. At one point, I asked him directly who he is, to which he replied, after looking around the above-the-cloud place we were at for a few seconds, “This is Tushita.” At another occasion, I was walking up a steep mountain hill in the dark of the night, getting lost multiple times and coming across a couple of people, to stumble upon Je Lama in his residence. In these unfathomable encounters during the seven years, he offered me the vajra splinter that I am indeed Lama Tsongkhapa himself.*
