MVCA'S FIRST GRADUATES GRADUATE HIGH SCHOOL

This spring we celebrated the high school graduations of Mary Nelson and Amelia Morkve, our very first graduates of MVCA in 2014. Both graduated from Freeman Academy in May. Amelia will continue her education at the University of Sioux Falls majoring in theater and children's ministry. Mary will be heading to Dordt in Sioux Center, Iowa studying theology and history. We are very proud and look forward to watching how God will use them to share His word. God Bless.

Luke Barnes ('16) and Thomas Pietrzak-Schroeder ('16) recently traveled to Puerto Rico to help that country recover from Hurricane Maria. This was a mission trip organized by Calvary Baptist. It was an extra special trip for Thomas. He was baptized in the warm waters of the Atlantic Ocean.

WHY CHRISTIAN EDUCATION #7

This is an excerpt from a speech given by one of our graduates this year. The words speak volumes for MVCA and the impact it has had on him and his life.

"Without this school I would be lost in my life. I had a hard time in other schools, I was bullied and never had a lot of friends. I really struggled with life and had a hard time coping with things. I never really fit in and I was treated wrong. That's what makes this school special, everyone treats each other like equals, no one cares about what they look like or what things they enjoy doing. The kids here are great and a lot are really funny. The teachers here really explain things and help with homework. I enjoy hearing our teachers' life stories, yet I have never really shared mine till now. I love to learn about history and the stories of the Bible. I remember the first time I came here, I was really confused, and felt really dumb when we were talking about all these Bible stories that I never heard that the little kids here knew. I'm still kinda like that tell this day, but I'm happy that I was able to learn them. I really can't tell you what my favorite memory is. I have had so many fun ones here. In all I'm so grateful that I was able to come here to MVCA."
