

FALL COCKTAIL ADDENDUM

Fall Cocktail Collection | September - November 2026

MARTINIS & MANUSCRIPTS

Pie & Prejudice **\$15**

Pumpkin pie martini

Rich, opinionated, and completely convinced it's the best part of fall.

The Moon & Her Secrets **\$14**

Butterfly pea vodka | creme de violette | strawberry | lime | pomegranate | black edible glitter | full-moon ice sphere

Dark, mysterious, and best enjoyed under a full moon.

The Last Love Letter **\$15**

White chocolate martini

Soft, decadent, and just a little bittersweet.

Burn After Reading **\$16**

Creme brulee martini

Sweet, scandalous, and best with the evidence destroyed.

One More Chapter **\$13**

Traditional espresso martini

For nights when going to bed is simply not part of the plot.

Coven Ritual **\$13**

Lavender espresso martini

A little lavender, a little caffeine, and whatever happens next is between the coven.

By the Firelight **\$16**

Vodka | espresso | chocolate | coffee liqueur | graham cracker | toasted marshmallow

Like a campfire story, only considerably more delicious.

The Plot Thickens **\$15**

Peanut butter fat-washed espresso martini

Rich, unexpected, and a twist you absolutely didn't see coming.

SPIRITS & STORIES

The Turning Page **\$13**

Coconut rum | vanilla | Sprite | served over ice

Light, dreamy, and made for whatever comes next.

Marmee's Kitchen **\$15**

Bourbon | house banana-maple syrup | black walnut bitters | flambeed banana

Warm, nostalgic, and suspiciously like someone's been baking.

Red Herring **\$15**

Peanut butter fat-washed bourbon Old Fashioned

Looks like a classic. That's exactly what it wants you to think.

A Study in Amber **\$14**

Reposado tequila | orange | lemon | spiced brown sugar | aromatic bitters | egg white

Golden, silky, and warmed with the spices of a well-worn autumn.
