

Players' Cup Backgammon Event

Players' Cup Backgammon Ohio Tournament

Thursday, March 21th, 2024

Dear Backgammon Player,

You are invited to participate in the third **Players' Cup Backgammon** Tournament of the year which will be held at the **Crowne Plaza Cleveland Airport, 7230 Engle Rd, Middleburg Heights, OH 44130**. This event is part of the 2024 Player's Cup and participants will receive stars towards the annual race. All matches are submitted to BMAB (Backgammon Masters Recording Body) for ranking as well as Backgammon World Ranking. This special event takes precedes Ohio State Backgammon Championship.

The format of the tournament is as follows. **First 4 rounds are random pairings, the last round is Swiss pairing 9 point matches**. All matches will be played with game clocks, which will be set at 18 minutes of bank time and a 12 second delay for each match. All matches played will be recorded, transcribed and uploaded. Each participant will receive the XG files of their matches and links to the videos.

The tournament will have the following tentative schedule:

- 10:15 am – Registration
- 11:00 am – Announcements and Door Prizes
- 11:15 am – Rounds 1 to 4
- Dinner Break and end of days play after Rd 4 completed
- **FRIDAY 11:30 am Round 5**

Round 5 will be Swiss pairing.

Tournament cost is **\$100 entry fee into a prize pool (100% return) , \$75 registration/transcription fee**.

Space will be limited to 24 players so reserve as soon as possible.

The prize will be distributed as follows but may be adjusted depending on the number of participants: \$100 will go to the player determined by XG to have been the “unluckiest”. Of the remaining prize pool:

- 50% Tournament Winner
- 25% Tournament Runner-Up
- 12.5% 3rd 4th Place

There will also be four side pools:

- Side pool A (100% return) \$50 entry
- Side pool B (100% return) \$100 entry
- PR Side pool C (**100% return**) \$100 entry

To enter side pool B, side pool A must also be entered. All can enter PR side pool C.

For each side pool, the winner and runner-up take 67% and 33% of the pool money. **However, if fewer than 4 players enter one (or more) side-pool, the winner will take all.**

The criteria for determining the tournament winners (and winner of side-pools A and B) will be based **solely on the number of match wins**. PR is only taken into account for the PR side pools. Where ties occur, the prize money will be shared equally.

With regard to the PR side pool, any score within 1% of the lowest PR shall be deemed to share first place (and first place only).

The PR prize cannot be awarded until all the matches are transcribed and then analyzed. It is expected that there will be a 3-4 day period between completion of tournament and the award of PR prize. Although there will be an effort for the full results to be completed by Sunday

All match files from the tournament will become public domain material and the complete results of the tournament will be submitted to Player’s Cup, BMAB and Backgammon World Ranking . Video files will upload to “Backgammon Cafe” and “Dmitriy Obukhov” YouTube account.

The sole winner of the event will receive an Iron Legacy Star. If the winners are shared each winner will receive a percentage of an Iron Star. Fractional Iron Stars never expire but are not awarded until a full star is achieved. If you accept the invitation it is imperative that you commence and complete the tournament, as a late cancellation will have a negative impact of the whole format for all participants.

We hope all participants will enjoy the challenge of the tournament and its original format. You can find out more information on how the stars are calculated and for Player's Cup Backgammon stats at:
