

Tashlich

5779

On Tuesday, September 11th, 2018 the Second Day of Rosh HaShanah 5779, we will go as a community to individually and symbolically cast our sins away by casting breadcrumbs into moving water.

Over the years this experience at the turn of the year has proven a wonderful and meaningful opportunity for food, drink and community. This year immediately following Rosh HaShanah Day 2 services we join together

in the Harry & Jeanette Weinberg Community Function Hall for a Pot-Luck luncheon and social hour.

After lunch we will proceed to George Bennett Park for the Tashlich ceremony at the Pomperaug River.

Breadcrumbs and prayers will be provided.

George Bennett Park is located on Route 67.

Written directions from the campus will be available at the Pot-Luck luncheon.
