L' Shanah Tovah

Have a sweet year!

Our customs and traditions had all of us growing up dipping apples into honey in order to celebrate our hopes for a sweet new year. For many of us along with the tradition of dipping came the tradition of sending out new year's card to friends and family. B'nai Israel Sisterhood would like to assist you in doing both. We are offering B'nai Israel members the opportunity to send other members, family and friends bags of special new year treats to assist in the continuing of these traditions.

Each recipient will receive a bag of sweet treats along with a card mentioning all of the senders names. You can order for one or two recipients, or perhaps even the entire congregation!

The price to send a bag of treats is \$6.00 for the first recipient with each additional recipient costing \$3.00. If you prefer, in lieu of sending a bag of treats, you may choose to send someone a certificate indicating that a donation has been made to B'nai Israel Sisterhood in honor of them during the New Year. The certificate cost is \$10 and will be mailed directly to that person or persons.

Bags can also be shipped to children/grandchildren/friends in college or away from home. The cost of a shipped bag is \$18 which does include shipping via USPS.

Pick up for these bags will begin on Wednesday September 5th at 12:00 PM with more pick up options being offered during the pre-holiday week. For those congregants that do not have the physical ability to pick up their bag a member of our committee will deliver it to them.

To choose your recipients please select the families/staff members from the list that will be provided to you via email. Should you not have email access please call Michelle at (516) 320-5089 and a list will be mailed directly to you.

Checks (payable to B'nai Israel Sisterhood) with completed order forms may be dropped off in the Synagogue office or you may mail your order to Michelle Rosen, 160 Lake Ridge Road, Southbury, CT 06488. Please feel free to call Michelle with any questions at (516) 320-5089.

PAID ORDERS MUST BE RECEIVED BY TUESDAY AUGUST 28, 2018
