Torah Study
Shabbat Morning @ 10:30 AM
Social Hall & Zoom

Because we study various units extensively, bringing in both modern and ancient commentaries on many of the verses, those new to Torah Study are able to soon get a sense of their footing. The Book of Proverbs teach that “as iron sharpens iron, so does one mind sharpen another.” Participants’ questions and discussion make the process most special. The class does not meet on Shabbatot where there is a Bar/Bat Mitzvah, or when the Rabbi is away.

Each week we read several verses as we slowly but steadily make our way through the Torah, step-by-step.

New participants and visitors are always welcomed! No Hebrew background necessary.

Discussion Group
Tuesday 11 AM-noon
Social Hall & Zoom

Readings & Discussion of Articles on Issues of Concern to Jews and The Jewish People. Weekly Discussion on contemporary issues. A series of articles from Jewish and general publications and websites are assigned in advance, and then discussed.
