

## Capabilities Narrative for CNT Logistics, LLC

CNT Logistics is a leading full-service trucking brokerage firm specializing in connecting shippers with reliable carriers to meet their freight transportation needs. We offer a comprehensive suite of services designed to streamline your supply chain, reduce costs, and ensure on-time delivery.

### Our core capabilities include:

- **Extensive Carrier Network:** We have built a vast network of pre-vetted, qualified carriers across North America, ensuring we can find the perfect match for your specific shipment, regardless of size, weight, or special requirements.
- **Nationwide Coverage:** We handle shipments going anywhere in the continental United States and Canada, offering seamless coast-to-coast and regional transportation solutions.
- **Multimodal Expertise:** We are experienced in managing all types of freight, including truckload (TL), less-than-truckload (LTL), expedited, flatbed, oversized, Intermodal and temperature-controlled shipments.
- **Competitive Rates:** We leverage our strong carrier relationships and industry knowledge to negotiate the most competitive rates for your shipments, maximizing your cost savings.
- **Real-time Tracking and Visibility:** We provide you with real-time shipment tracking through our user-friendly online platform, giving you complete visibility into your freight's location and estimated arrival time.
- **Dedicated Account Management:** You'll be assigned a dedicated account manager who will act as your single point of contact, handling all your logistics needs, from quote requests to shipment completion.
- **24/7 Customer Support:** Our experienced customer support team is available 24/7 to address any questions or concerns you may have, ensuring a smooth and stress-free transportation experience.
- **Value-Added Services:** In addition to core brokerage services, we offer a range of value-added services to enhance your supply chain, including freight consolidation, warehousing solutions, and transportation management consulting.
