

Privacy Policy for Cimmarronus Safety Forms

Effective Date: 5/29/2025

Red Clover Solutions, LLC (“we,” “us,” or “our”) respects your privacy. This Privacy Policy explains how we collect, use, and protect the personal information you provide through our iOS mobile application, *Cimmarronus Safety Forms*.

1. Information We Collect

We collect the following personal information entered directly by the user:

- Name
- Email Address
- Phone Number
- Location (GPS or IP-based)

This information is provided voluntarily by users through form submissions within the app for the purpose of field work safety auditing.

2. How We Use Your Information

The collected data is used solely to:

- Facilitate and store field safety audit records
- Allow users to identify, log, and submit worksite safety information
- Ensure accountability and communication in field operations

We do **not** use your data for marketing purposes, nor do we share, sell, or disclose your personal information to third parties.

3. Data Storage and Security

We take appropriate measures to protect your information against unauthorized access, alteration, or destruction. However, please note that no method of transmission over the Internet or method of electronic storage is 100% secure.

4. User Control and Data Deletion

Users have the right to request the deletion of their personal data. To do so, please contact us at privacy@redcloversolutions.com.

Upon request, we will delete the information from our records unless we are required by law to retain it.

5. Children's Privacy

This app is not intended for children under the age of 13. We do not knowingly collect or solicit personal information from anyone under 13.

6. Third-Party Services

At this time, we do not use any third-party services for analytics, advertising, or crash reporting. If that changes, this policy will be updated accordingly.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Changes will be posted within the app and become effective upon posting.
