SB-10 scholarship recipients: SB-10 checks are sent to the school quarterly. Parents must sign and endorse these over to the school within 30 days as per state rule. You are responsible for the full contractual amount due regardless of the amount that your scholarship covers- this means if your scholarship does not cover all of your tuition and fees, you are agreeing that you are personally responsible for paying these fees. Once your scholarship is verified, our Tuition Coordinator will notify you of your scholarship amount and the amount you are responsible for and a monthly plan will be set up.

Credit card fees 4-5% depending on whether they are to us or FACTS system. Reminder: Tuition is based on a full school year and is not a monthly rate. Parents are making a financial commitment for the school year upon enrollment.
