

GRILL USAGE RULES

PLEASE FOLLOW THESE RULES WHEN USING OUR COMMUNITY GRILLS:

- I. Make sure all burners are off before opening the main valve on the tank.
- II. Once tank valve is open, turn on the starter burner as shown on the front of grill. If additional burners are needed, you will have to hand lite them with a fire stick starter.
- III. **When you are done grilling, shut off all burners. Then close the main valve on the tank.**
- IV. **Always, clean the grill with the grill brush provided before leaving the area.**
