

Company Overview L&A Security Consulting Group, LLC is an independent, Georgia-based security consulting firm led by **Josh Timms, PSP** — an ASIS Board-Certified Physical Security Professional with over 20 years of hands-on experience in security system design, integration, and implementation.

We specialize in **vendor-neutral** physical security consulting, providing objective guidance that prioritizes client needs over manufacturer or integrator preferences. Our experience includes involvement in nearly **\$90 million** in security system projects across government, healthcare, critical infrastructure, education, and commercial sectors. We are registered in SAM.gov and hold a Georgia Low Voltage Unrestricted Contractor License.

Core Capabilities

- Security Risk Assessments (including CPTED analysis)
- Security System Design & Engineering (Video Surveillance, Access Control, Intrusion Detection)
- Scope of Work & Specification Development
- Security Master Planning & Technology Assessments
- Bid & Procurement Support / RFP Development
- Owner's Representative Services
- Project Oversight, Quality Assurance & System Optimization
- Performance Evaluation & Post-Implementation Support

Key Differentiators

- Truly independent and vendor-neutral — recommendations based solely on client requirements
- Practical expertise from actual system integration and troubleshooting
- Designs focused on long-term reliability, scalability, and total cost of ownership
- Clear specifications that reduce change orders and ensure competitive bidding
- Proven performance in high-security and regulated environments

Industries Served

- Federal Government Facilities (DHS, FPS, ICE, VA, DoD)
- State & Local Government
- Industrial Facilities
- Healthcare Systems
- Ports & Transportation Infrastructure
- Utilities & Critical Infrastructure
- Higher Education & K-12 Schools
- Commercial & Corporate Campuses

Our Mission: To deliver independent, practical, and performance-driven physical security solutions that protect people, property, and operations — always focused on the client's best interest.
