Letter From The President

Welcome!

The time is here for the 24th Annual Bedford County Fair! We hope you will join us for a week of fun and family enjoyment. It is our goal to have events for every age group. We are working towards adding as many events each year as possible, for everyone's enjoyment. Visitors will have to come out and experience the fair to find out how entertaining and educational it will be.

The fair board, committees, and volunteers from all over Bedford and surrounding counties have put many hours into getting the 2022 fair ready for the public. We have so many different experiences to offer this year.

While trying to provide that family atmosphere, we always want to focus on the foundation of agriculture on which the fair is built. It is our way to educate the younger generation.

We want to thank all of our advertisers, sponsors, and volunteers who have once again made this year's fair possible. Everyone who participates in promoting the success of the fair is truly appreciated.

Once again, we want to welcome you. The fair is a place where you can come and expect to have a good time. Please come and help us celebrate with this year's theme, *Stars, Stripes and Fair Delights*.

Sincerely,

Welcome 2022 Fairgoers

On behalf of the Mayor's office, I would like to welcome you to the Bedford County Fair. The fair theme this year is *Stars, Stripes, and Fair Delights*.

For over two decades, the Bedford County Fair has been an annual highlight in the community. The County Fair Association and volunteers are dedicated in continually bringing you, the visitor, the best experience possible. We are proud to honor our heritage, our country and our traditions at this, the 24th fair celebration. We appreciate your visit!

The fair offers not only livestock shows and tractor pulls but also ample room for parking and a sprawling array of fun activities. Year after year, the midway, carnival games and the variety of fair food are popular attractions.

The agricultural events have deep roots in our community and showcase the importance of spreading the awareness of agriculture. They include art displays, local craft vendors as well as numerous livestock competitions. And according to the 2017 USDA Agricultural Census, Bedford County ranks #1 agricultural products sold, bringing in over 151 million dollars annually in agricultural revenues.

Congratulations to the Bedford County Fair Association for receiving three awards for the 2021 county fair at the Tennessee Association of Fairs Convention: for placing 1st for fair ribbon craft, 2nd for letterhead and 3rd on the fair's recycled item. Bedford County Fair Queen, Miss Jayden Jackson, won runner up at the state and the fair was awarded the Merit Award. We are exceptionally proud to be recognized at these state levels of competition.

Again, welcome to the Bedford County Fair and thank you for being here. I hope you enjoy our *Stars, Stripes and Fair Delights!*

Bedford County Mayor

Greetings! The Mayor and City Council members of the City of Shelbyville would like to welcome you to the Bedford County Fair. We are proud to be the "host city" for this event.

The 2022 Fair promises to be bigger and better than ever with events such as tractor pulls, livestock shows, including sheep, cattle, horses, and goats. The Fair also includes canned and baked goods, fresh produce, arts and crafts, antique farm equipment, midway and much more. There should be something for everyone to enjoy. With the newly poured concrete floors, the activities should be more enjoyable with less dust and easier access.

State Aid to the Fair

The General Assembly of the State of Tennessee, realizing the importance of the educational value of fairs, increased interest in livestock, agriculture, Junior Agriculture and Livestock such as 4-H and FFA clubs, resulting from competition at fairs, has annually appropriated a fund known as State Aid to Fairs. This fund is allotted and distributed by the State Department of Agriculture through the Commissioner of Agriculture and is State Aid to farmers, livestock breeders, etc. The Bedford County Fair participates in this program and receives each year a proportion of the allotment.

2022 Bedford County Fair
Catalog Dedication

Joan Pimentel

November 3, 1942 - September 5, 2021

Joan along with her husband Freddie, who is still involved with the fair as a volunteer, spent many hours dedicating time and talent to the Bedford County Fair. She was a volunteer for many years before joining the fair board in 2007, taking the role of treasurer.

You could see Joan in the Pick TN Product Booth during the fair educating the public about products made in Tennessee. For many years she would oversee the Hat Decorating Contest. When the fair would have other special events she would put in many hours of her time decorating the tables. Joan also served on the fair catalog committee as a proofreader.

When her health began to decline, she had to give up her many jobs, but you would still see her at the fair supporting the many events. She was a great asset to the fair and her many friends and board members will miss her presence.

It great honor we dedicate the 2022 Bedford County Fair Catalog to Joan Pimentel.

In loving memory

Keith Cook

May 19, 1955 - October 9, 2021

Each year since the beginning of the Bedford County Fair, I always knew that my dad would be there on opening night. Dad took great pleasure in emceeding this fine event and he was honored to be a part of it.

Personally, I would like to thank our friends at the fair for inviting him back every year. The fair was an important event to him, and I am proud that he was trusted to do the job.

Sadly, Dad won't be in his usual spot behind the microphone this year, but I certainly know that he will be watching from the best seat in the house.

The Pick TN Products display is designed to bolster the awareness of Agriculture Production and Manufacturing in the State of Tennessee. As many people may or may not know, Tennessee has multiple Agricultural industries that produce many of the items stocked in your local stores. Also included in our great state are many items you see in farmers markets, plant nurseries, and other places you may frequent.

Featured in our display will be many of the "Name Brand" products that you use daily. Included also will be a daily drawing for a "PICK TN PRODUCT" basket filled to the brim with samples of products manufactured and grown in Tennessee.

Did you know that Tyson Food, M & L Greenhouse, Murfreesboro Pure Milk, Nash Family Creamery, MTSU

Creamery and TN Beef Producers are just a few of the names that we are familiar with and these places are located just a few miles down the road? Many of the growers and dairy farmers in our county ship their product to these plants to be processed and passed on to you.

Please be sure to stop by and register at our Pick TN display in the "Trade Show" building and let us share with you interesting facts about the many products that are made and manufactured in Tennessee. We will also have a trivia question each night for a chance to win a prize.

Please remember to also thank the farmers and anyone involved in the Agriculture business - these people help to feed thousands daily.

Century Farms

Bedford County Fair Proudly Recognizes the Thirty Six Century Farms in Bedford County

Bedford County was established in 1807 from land taken from Rutherford County and is located in the southern outskirts of the Central Basin of Tennessee. Shelbyville, the county seat, was established in 1810 and was ideally suited as a trading center, with fords on the southern and eastern ends of the town. In the early twentieth century, Shelbyville became a thriving industrial center with the Shelbyville Mills, a textile factory, and the Musgrave Pencil Company manufacturers. In addition, the worldwide popular Tennessee Walking Horse Celebration takes place in Shelbyville.

MEMORANDUM

TO: Fair Officials
FROM: Samantha Beaty, DVM
State Veterinarian
DATE: February 28, 2022

Enclosed is a summary of Tennessee Fair Regulations - health requirements for livestock at fairs and exhibitions.

Special Comments:

1. It is expected that all exhibitors will bring only healthy animals to fairs and exhibitions. Although state and federal animal health officials will be performing some inspections, fair officials are responsible for ensuring that all animals entering fairs for exhibition are in overall good health and are accompanied by a Certificate of Veterinary Inspection. Animals showing clinical signs of contagious disease should be sent home immediately. Violations should be reported to the state veterinarian or his agent.
2. Certificate(s) of Veterinary Inspection are to accompany all animal(s) to the respective shows with the exception of in-state Tennessee equine and poultry. In-state Tennessee equine six (6) months of age and older must have a negative Equine Infectious Anemia test within the preceding twelve (12) months. Poultry assembled at shows or exhibitions should be accompanied by evidence of a negative test for Pullorum-Typhoid within 90 days, or be tested on-site prior to exhibition following strict biosecurity procedures, or originate directly from a flock which has been certified as Pullorum-Typhoid Clean under the Tennessee Poultry Improvement Plan. As part of increased awareness and surveillance for Avian Influenza and other poultry diseases, all bird's physical appearance should be assessed at the time testing is conducted.
3. Health certificates issued in satisfaction of these Tennessee Fair Regulations shall be good for **90** days for Tennessee livestock only.
4. Please note that exhibition requirements for out-of-state livestock are the same as regular import requirements.
5. **Warts and ringworm are considered contagious and infectious diseases and are permissible exclusions only if considered inactive by the issuing veterinarian and noted as such on the Certificate of Veterinary Inspection.**
6. **Scabies, contagious ecthyma (soremouth), footrot, cutaneous fungal and bacterial infections (i.e. club lamb disease, caseous lymphadenitis) are considered contagious and infectious diseases, and are permissible exclusions only if considered inactive by the issuing veterinarian and noted as such on the Certificate of Veterinary Inspection.**
7. **Avian Influenza – All out-of-state poultry must originate directly from a Pullorum-Typhoid Clean Flock and a H5/H7 Avian Influenza Clean Flock, or be accompanied by evidence of a negative Pullorum-Typhoid test within ninety (90) days and a negative official Avian Influenza test within twenty-one (21) days.**

Also, please note that if highly pathogenic Avian Influenza is detected in Tennessee or a neighboring state, the commingling of poultry at fairs and exhibitions may be suspended.

Fair Biosecurity

Below is a summary of recommendations for fair management by the National Assembly of State Animal Health Officials and the National Association of State Public Health Veterinarians to better protect fair attendees from disease:

- o Provide easy access to hand washing stations.
- o Post informational signage that includes the following messages:
 - No eating or drinking in the animal areas.
 - Wash hands frequently.
 - No pacifiers, sipping cups or strollers in the animal exhibition areas.
 - Discourage sleeping in the animal exhibition areas.
 - If human or swine influenza-like-illness is associated with the exhibition, animal health and public health officials should be notified immediately.
 - People who have influenza-like illness should leave the exhibition immediately and seek medical care. They should advise their health care provider about their fair attendance.
 - People at high risk for developing severe complications from influenza should limit their exposure to swine.

Also, be aware of the potential exposure of fair attendees to E. coli 0157 from animals exhibited on the fairgrounds.

Please retain this material for reference during the 2022 fair season.

Billy & Mary Tarkington

Billy Tarkington grew up in the cotton fields of the Southeast Missouri Bootheel where Country, Gospel, & Rock-n-Roll were prevalent. He started fronting honky-tonk bands before he was old enough to get in the clubs without his dad. Now, with over thirty years of experience, this seasoned veteran of the stage has a very impressive resume. He's worked with Willie Nelson, Merle Haggard & Ray Price just to name a few. Billy is also a gifted songwriter who loves the art of crafting songs from life's experiences & stories he picks up along the way. To the surprise of many, his "spot on" vocal impersonations have been mesmerizing crowds for decades. You'll see when you hear his tributes to such legends as Waylon Jennings, Willie Nelson, Johnny Cash, John Anderson & others.

Mary hales from the great state of North Carolina, where she was raised on Bluegrass, Country, & Gospel music. Her mom's family was a big influence on her at a young age as she listened to their brand of pickin' & singin', & close family harmonies. Mary began performing in front of live audiences when she was just 4 years old. She has been the lead singer for two different bands since her move to middle Tennessee in 1998. Sharing the stage with performers & writers such as Rascal Flatts, Trent Willmon, Billy Ray Reynolds, Jerry Foster, Jimmy Payne, & Karen Staley was very inspirational in expanding her musical horizons. Only dabbling with the art of songwriting in the past, Mary has recently become more inspired by the idea of writing songs with her husband.

Together, they are considered a dynamic duo with Billy bringing his rich, warm baritone voice to each song and Mary offering her powerhouse vocals straight from the heart. Although they stay busy fronting their own band Bona Fide Outlaw, Billy & Mary Tarkington also very much enjoy their time with each other performing as a duo acoustically, playing many dates throughout the year. We're sure you will agree this couple is a Bona Fide crowd pleaser.

Mid State Cloggers

The Mid State Cloggers are an Appalachian precision clogging team based in Shelbyville, TN. The team consists of approximately fifty members ranging in age from four to sixty-eight years old. The team is currently under the instructorship of Daphne Motes. You will see the Mid State Cloggers performing at various fairs and festivals in the Middle Tennessee area.

Team clogging arrived in Bedford County in January 2001 when Angie Yurcik and then partner Louise Simmons decided to expand the Tennessee

Rhythm Cloggers, who were located in Manchester, TN, to include a group from Shelbyville, TN. The classes were held at the Halls Mill Triangle Community Club, as they still are today. In October of the same year, Angie Yurcik took over as the instructor of the team and changed the name to the Tennessee Country Cloggers. In April of 2008, Angie stepped away from clogging due to a medical issue which resulted in hip surgery. The instructorship and name changed once again as Daphne Motes took over as instructor and the name changed to the Mid State Cloggers.

Double Shot

Andy and Lee Huffer started Double Shot as a band few years back and what started out as just an idea quickly became a passion. They began playing at local places all around, from their hometown of Lynchburg, to Shelbyville, Winchester, Tullahoma, and Manchester. This last year, they have made their way to Nashville. Andy and Lee quickly joined the Tootsies circuit and are now playing anywhere from Rippy's Honky Tonk to Honky Tonk Central and Kid Rock's Bar!

They are very proud to be back where it all started. The Double Shot debut show was as the Bedford County Fair.

Justin Williams

Embodying the trifecta of a good ole country boy, Justin Williams grew up on a farm in Wartrace, TN, played every sport in school, and joined the rodeo trail upon graduating high school.

The extent of his musical career was singing in the church choir as a kid until one day, music found him again. It all started with a two word contribution on someone else's song and quickly snowballed into having written over 50 songs.

At 21 years old, he learned how to play the guitar just two months before his first live show. All it took was that first performance to start being invited to more and more venues and festivals and most recently invited to open for Country Music artist Clay Walker.

Jaysen Gold

Jaysen Gold has known he wanted to be a country music singer/songwriter since he saw Randy Owen lead Alabama in "If I Had You" on a special Myrtle Beach Edition of Nashville Now at the ripe old age of 3. He learned how to maneuver a microphone before he learned how to maneuver a spoon. He's been singing and performing his whole life, and he's glad the hard work finally lead him here. It was an emotional, windy road though.

Jaysen spent 4 years in country radio as a DJ at Big Froggy 101 in State College, PA, where he got tired of spinning other people's songs. Thankfully, in 2011, he felt like God was telling him it was finally time to move from Happy Valley to Music City to chase the dream planted in his heart.

Now a resident of the Nashville area, Jaysen finally put on some running shoes and is chasing the dream.

Since 2012, he's had the opportunity to write with Judy Rodman ("One Way Ticket"), and Debbie Moore ("Wish You Were Here"), who taught him key aspects of songwriting and the music business in general. You can find 3 of Jaysen's cowrites, including the top 10 single (according to Airplay Direct) "So Far No Good," on award winning duo Moore & Moore's 2016 release "My Present To You." In July of 2017 Jaysen, along with his acoustic band, performed on Today in Nashville on Nashville's NBC affiliate.

In May of 2017, Jaysen released "Where's My Breath" (produced by Blue Crowd Music) featuring the fan favorites "Ultimate Warrior" and "Better For Each Other." This summer Jaysen will release brand new music produced by award winning producer Kent Wells! For more info on new music and show dates, follow Jaysen on Twitter and Instagram @JaysenGold. "Where's My Breath" is available wherever digital music is sold.

Phil Valdez grew up in Colorado within a musically talented family. He began playing guitar at age 10, and dedicated his adolescent years to lessons and perfecting his guitar talent by learning from one of the greatest jazz guitar players, Bobby Montoya. Playing guitar in the family band as a teen with his father, mother, brother, and two uncles introduced him to country music at an early age.

Phil began singing as a late teen idolizing Merle Haggard and George Jones. His voice has a rich baritone, reminiscent of his country music heroes.

As a professional guitar player, Phil has been featured in Guitar Player magazine. His guitar style can be described as a hybrid of a country pickin jazz player.

Based in Nashville, Tennessee, Phil has performed at the Grand Ole Opry and has played guitar for some of the best names in country music including Vern Gosdin, Stonewall Jackson, Tracy Byrd, Daryle Singletary, Mark Wills, Tracy Lawrence, Mark Chestnut, and many others.

Currently, he tours the world promoting his own music as a solo acoustic act. He continues to impress his fans and country music critics with his triple threat of singing, songwriting and guitar playing.

Phil is working on a new album to be released in the near future.
