& CHEERLEADING ASSOCIATION,**

P.O. BOX 391641

Deltona, Florida 32739

Good afternoon,

The Deltona Panthers Youth Tackle Football & Cheerleading Association is a 501(c)3 nonprofit organization, affiliated with Pop Warner. We are reaching out to our community in the hope that you will consider partnering with us for our 2023 season as a sponsor or donor as we rely on your generosity to help us make this year a success.

Our association brings together young athletes from all over Volusia County & surrounding areas. Last year we had around 190 participants, this year our goal is to have more athletes join. Our football teams range ages 5 to 14 and our cheerleading squads range ages 3 to 16. We work extremely hard to keep our player fees low, so more children can have the opportunity to participate, and in order to do so we need your help.

Sponsors are invaluable to us as you help us provide our athletes with uniforms, helmets, shoulder pads/pants, pom poms, competition shoes, bows & more. Your donations will help us cover essential field equipment for our league such as water coolers, tents, cones, footballs, game day referees & helmet reconditioning costs.

The following page offers a different level of benefits and advertising possibilities for your business. Please choose the level of sponsorship that best suits you and your company. If you are not able to donate at the designated sponsor levels, we encourage you to contribute an amount that is right for you. All contributions, including the provision of in-kind goods and services you can provide are greatly appreciated.

Our future leaders need to be both physically fit and academically sound, Pop Warner remains the only youth sports organization that requires academic achievement be met in order to participate. Corporate and small business donors who believe in the value of youth programs can help provide opportunities that will not only benefit our children, but also our communities.

Please contact me if you have any questions. Thank you for considering our request.
