

Summer Casting Clinics

Starting July 16, Marion and Frank, Fly Fishers International Certified Casting Instructors and instructor in training, Steve Hiller are offering a series of casting lessons to focus on fishing moving water.

Topics focus on moving water and include: how to make various casts and mends, how to take advantage of windy conditions, gaining greater distance, and better accuracy.

Sessions are scheduled for Wednesdays and Saturdays. Topics covered Wednesday will be featured again on the following Saturday.

On Sundays, through the remainder of August, you are welcome to come and work on specific casting goals of your choice that we call a Walk-in Clinic. *Zeffy* sign-ups will arrive in your email some time in the near future if you contact Frank!
