

1ST ANNUAL LEDYARD FARMERS MARKET FAMILY TREE SPONSORSHIP

The Ledyard Farmers Market Committee is fired up for another spectacular **summer** season at the market. We hope to exceed everyone's expectations this year! We have exciting **new vendors, food trucks, live music**, and unique interactive **family-friendly** entertainment, **presentations**, and guests.

All of these amazing things that we want to bring to you are costly, and as a non for profit organization we need your help. We are asking you to take your **love** for the Ledyard Farmers Market and help us keep all these amazing features of the market funded. This includes the winter market as well!

For a **donation** of \$50 you will become a **leaf on a branch** of the Ledyard Farmers Market **Family Tree**, which will be located on ledyardfarmersmarket.org.

You will also get a **free market bag**, which this year is extra-large and extra-adorable (if we do say so ourselves). We will also have a **special patron** sponsor day where you will be thanked, and your names will be announced.

As an added bonus you will be given 2 entries to a **Patron Sponsors ONLY** give-away. A goody bag filled with Ledyard Farmers Market vendor goodies including: a reusable market bag, a \$25 gift certificate from Smith's Acres, gourmet goodies from Sweet Country Roads, a \$25 Capt. Scott's gift card with tote bag and fantastic drink tumbler designed by Sweet Southern Waves!
