From the East, FEBUARY 2022

Brethren,

Greetings and Salutations from the East. I hope our February Trestle board finds you in good health.

Our first stated communication of the year was fruitful, we discussed several topics to include the yearly budget, committees, fundraisers, charities and other matters despite several brothers being forced to not attend out of precaution due to possible COVID exposures.

It is always a pleasure to be among the brethren and to see how strong our Lodge and fraternity at large truly is.

Our 1st stated communication on February 10th will be our DDGM official visit, if your business and health permit, please try to attend.

Be sure to pay close attention to the calendar of events on this trestle board. Surely, more will be added each month as we do our best to keep the Lodge growing and evolving in ways that are engaging, interesting and impactful while remaining true to our intended Masonic purpose.

Please be very careful in your daily transactions, this new variant of COVID 19 seems to be rampaging throughout our beloved fraternity as many brothers have recently come down with it. Please adhere to the most recent CDC guidelines on COVID exposures:

"People with COVID-19 should isolate for 5 days and if they are asymptomatic or their symptoms are resolving (without fever for 24 hours), follow that by 5 days of wearing a mask when around others to minimize the risk of infecting people they encounter. "

May the GAOTU watch over, protect and guide us all.

Sincerely,
 John Barling
 Worshipful Master
