

FREE COLLEGE BENEFIT

For Members of the
**Ohio State Association
of Letter Carriers**

- Earn a college degree – FOR FREE!
- For Ohio State Association of Letter Carriers members AND families! Includes spouse, domestic partner, children, grandchildren and dependents.
- Eastern Gateway Community College is a public, nonprofit, regionally accredited school and credits transfer.

The Free College Benefit is a last dollar scholarship that fills the gap between the cost of tuition, fees and e-books at Eastern Gateway Community College and any federal, state or employer education grants for which you are eligible. It is a type of financial aid so students must comply with federal, state, and college academic and financial aid policies, which can be found on the EGCC website. In order to determine the amount of your scholarship, students first apply for and use any federal student aid awarded through the Free Application for Federal Student Aid. Even if it's determined that you are not eligible for any grants, the last dollar scholarship has you covered. It will still be applied to your remaining balance for tuition, fees and e-books, as long as you complete the FAFSA and any required verification.
