'Uniting' is the brand new mixtape to come from Albany rapper **CBR Scrip**. A collaboration with Knick Babie, the mixtape also features guest appearances from Bossgame_NO & D'usse Dillinger. Written about growing up in the Ghetto and surviving a difficult environment while being faced with adversity, 'Uniting' is an empowering and triumphant mixtape of 8 songs. An aptly named release, 'Uniting' brings people together with its vivid emotions and empowering positive message.

CBR Scrip existed on the fringes of Albany's fertile underground rap scene for several years before starting to write and record his own rhymes around 2018. Dedicating all of his time to his music, **CBR Scrip** uses his life experiences in Albany's atrocious neighborhoods as motivation for melodic flows and breathtaking beats. His debut mixtape was released in 2020 and he has followed this up with a steady stream of albums, each better than the one that came before.
