## **What can Platinum do for you?**

Colloidal Platinum is said to be the rejuvenator of life force, which promotes healing and mind to body thinking.

Platinum is a noble metal. The concentration of it in soul, water and air these days are now very minimal. In some places deposits can be found that are very rich in platinum, mainly in South Africa, Russia and United States.

Platinum bonds are often applied, as a medicine to cure cancer and the health effects are strongly dependant upon the kind of bond that is shaped and the exposure level & immunity of the person that is exposed.

There are no known dangerous effects of Colloidal Platinum although it can enhance selenium absorption so take care of extra supplementation.

Platinum does NOT interact with or interfere with other supplements, vitamins or medication.

and passes out of the body within 72 hours.

Its a tasteless liquid and clear in appearance.

Colloidal Platinum increases the electrical transmission across the Synapses within the brain to promote tissue regeneration of the neurological tissues.

Used mainly to increase focus, concentration, creativity, memory by stimulating brain signals, but often used differently from colloidal gold as it is said to open up the channels for increased intuition, God connection, lucid dreaming and dream recall, having a dramatic effect on pineal gland activation thus enhancing meditation techniques.

Sometimes said to give a DMT “like” trip, it is a great alternative to caffeine and other artificial or non-artificial stimulants.

Colloidal platinum improves tissue regeneration and prevention and repair of the Thymus and Endocrine system as well as the heart.

Increases training and stamina

Also said to stimulate sex drive and performance in both Men and Women and acts as a natural Anti-depressant.

Beyond science the spiritual and mental benefits are that of remaining in higher resonate frequencies, heightened intuition, reduction of parasites.

Therefore Colloidal Platinum is very effective as part of a treatment plan for brain and behaviour disorders and diseases such as:

Alzheimer's, Dementia, Motor neurone, Parkinson's, ADHD, ADD, AUTISM, MS etc.

Can also be used with Colloidal Gold to increase results in neurological, central nervous system and degenerative conditions.

## **Colloidal Platinum safety**

One of the best things about Colloidal Platinum is safe and is completely non-toxic to animals and children and does not interact with medications. There is no risk of overdose and no unwanted side effects have ever been reported. Some people feel positive effects right away; other people notice the effects increasing over time. For some, Colloidal platinum has dramatically improved their quality of life. Others have simply notice an improvement in mood. It is 100% safe, even in large quantities

Our Colloidal Platinum (Platinum Fusion) is tasteless and non-toxic and manufactured using the "Michael Faraday" method, using only pure distilled water, 99.99% pure platinum, 80 minerals for extra bioavailability and a trace amount of colloidal silver for stabilisation.
