[See all...](#)

"Eleven-year-old (nearly twelve) Celi Rivera, who is a mix of Black-Puerto Rican-Indigenous Mexican is secretive about her approaching period, and the changes that are happening to her body. She is horrified that her mother wants to hold a traditional public moon ceremony to celebrate the occasion. She must choose loyalty to her life-long best friend who is contemplating an even more profound change of life or the boy she likes"-Provided by publisher.
