

Red River Valley Fighter Pilots Association

52nd Annual Real Reunion

FAQs

How will we get around to the events away from the hotel?

We have arranged for bus transportation for all events not being held at the hotel. The cost for this service is included in your registrations.

Why is the Flight Suit Party More Expensive than the Banquet?

The short answer? Costs. Our Banquet is being held at the Hilton, whose main function is to host events like ours. They have the staff, equipment and facilities to produce a large, catered event. And it's located on-site; there is no need for transportation. Friday's Flight Suit Party will be held in Hangar Bay One at the Naval Aviation Museum, an amazing facility jam-packed with aircraft and memorabilia that spans from the Vietnam era to present day. While the Museum routinely hosts events, there is a fee to rent their facility. All catering staff, equipment, food and beverage must be brought in by third-party vendors, which adds to our costs.

We have worked hard to keep costs for the Flight Suit Party down, and have no doubt that those who will attend it will find that the evening is well-worth the price of admission.

Why are we using two hotels?

The primary site for our reunion will be the Holiday Inn Resort. That said, this hotel cannot accommodate the number of diners that we expect for our Saturday Banquet. The Hilton is adjacent to the Holiday Inn, and has the banquet facilities to more than handle our Saturday night needs. Given this, we decided to offer attendees the option to stay at either hotel.

Is there a place that I can rent wheelchairs?

Scooter Brothers rents manual wheelchairs as well as powered scooters. Please call (850) 863-8530 or go to www.thescooterbrothers.com for information and to make reservations.
