American Legion Young-Budd Post 171

To enhance the well-being of America's veterans, their families, our military, and our communities by our devotion to mutual helpfulness. The American Legion's vision statement is "The American Legion: Veterans Strengthening America."

We do this in our communities, State and Nation as we have done since 1919.

Ellis E. Woodrow Memorial Post 7883

We are veterans serving veterans, their families and the community at large, through active community outreach, student scholarships, and serving local Guard/Reserve units. We *"Honor the Dead by Serving the Living"* through veterans service, community service, national security and a strong national defense.
