AbsorbaVeil

Acoustic Hanging Solutions

AbsorbaVeil suspended acoustic panels are designed to create privacy in open plan areas whilst discretely absorbing unwanted noise. AbsorbaVeil is an eye-catching collection of hanging screens that simply fall from the ceiling in unique patterns.

Product Features:

- + A feature element or a subtle backdrop
- + Creates the feel of privacy in open-plan areas
- + Lightweight and incredibly easy to handle onsite
- + Easily retrofitted to existing spaces
- + Vibrant range of designs and colours
- + Selection of standard designs or design your own
- + Quick and simple installation

Our standard designs allow the line of sight to remain yet with a visual sense of privacy and division, creating more personal areas to work, discuss or relax. Looking for something bespoke? Why not create your own design to complement your surroundings.
