Emeritus & Legacy Star Citizen Angels & Volunteers

Remembered With Much Love, Appreciation, & Gratitude

- ★ [R. Peaslee DuMont \(1910—1996\) & Virginia Louise DuMont \(1917—2001\)](#), of Piedmont, California between 1950 and 1998 • Parents of Peter Bruce DuMont (#5 of seven children), they supplied him extra nurturing care, forbearance, and generosity, or the STAR ALLIANCE could never have been created, nor survived its many challenges. Peter has generously returned these gifts to the public interest. Both his parents and he deserve much credit.
- ★ [Jane Newhall of San Francisco \(1913—2011\)](#) • Early STAR ALLIANCE benefactor angel, Jane single-handedly funded the organization from early 1987 to late 1990 during the critical, turning-point years marking the end of the Cold War. Her remarkable generosity empowered offices at 988 Market Street, founding of the historic STAR ALLIANCE SHOW (produced weekly on both radio & cable access TV from 1987—1990), THE STAR OF PEACE AWARD, the early STAR ALLIANCE DECLARATIONS FOR PEACE (Please see [Historical VIP Signers](#)), and regular written correspondence to both Superpower Leaders.
