We, *Star Citizens*, aspire to realize our full potentials in kinder, gentler, safer, more successful and sustainable relationships, communities, and environments at every level! Therefore: We pledge our *Friendship in Commitment to All Our Highest Civic Ideals!*

Reaching toward our own best interests in a universally responsible society — let every nation, people, organization, and individual share knowledge of these essential timeless principles: natural laws of positive, sustainable relationships; for they will serve as great and worthy guides to lasting happiness and fulfillment in genuine peace and love. Let people everywhere have early opportunities to learn, appreciate, and practice these values of *Holistic Good Will, Honesty, Respect, and Integrity*; to develop best abilities of lively, intelligent, expanded awareness; deep calm, courage, competence, compassion, and capacity. Thus we will be empowering our own *collective consciousness* — activating more self, mutual, and universal awareness; and enjoying safer, more healthful, trustworthy, sustainable, fulfilling, and happy relationships, societies, and environments for all.

Let us all *Communicate, Cooperate, and Celebrate*, with integrity and creativity, for harmonizing goals. Let us build our sense of *benevolent reciprocity*, enlivening *The Golden Rule* as we practice all these quintessential *star* qualities with one another. Thereby we will enjoy greater insights and understandings as we nourish precious, sustainable liberties, peace, justice, joy, and love.

May we seek in the greatest possible whole the balance, support, solace, fulfillment, and joy of trustworthy alliance for enduring peace and freedom. May we gain understanding, wisdom, restorative justice and cooperation for righteous goals. May we appreciate and honor the many duties required for healthy relationships, and enjoy the deep abundant rewards they provide in genuine, lasting love.

Pledge to Most Effective Alliance for Our

☆☆☆☆ Highest Civic Ideals ☆☆☆

7 of 7 • *With Expanded Clarifications Including The Practical Need & Benefit of Daily Transcendence*

We, Star Citizens — vastly to improve and safeguard our lives, creative achievements, and positive potentials — pledge our best commitments to most effective alliance for all *Our Highest Civic Ideals!* Let us build civilization where all are educated in *Values for All* — and do their best to be appropriately responsible! We resolve to approach this ideal through shared ethics, understandings, techniques, and solidarity among nations and peoples, institutions, communities, and individuals everywhere.

These values are timeless principles of holistic good will, honesty, integrity, responsible freedoms, peace, justice, happiness, and fulfillment in genuine, lasting love! Let us look to them wisely, as *Guiding Stars*, for healthful, sustainable relationships at every level. Let everyone learn, practice, share, and *enjoy* all these principles; for they will support our most intelligent, lively, expanded collective consciousness. Let us employ it with deep calm, courage, competence, compassion, and capacity. Empowered by knowledge of the many declared duties of *Star Citizenship*, let us weave together, with hope and determination: *Civic Unity Amidst Magnificent, Creative Diversity!*

As all the free fingers of the healthy hand — integral to the whole system of mind, body, behavior, and environment — still stay intelligently connected and loyal to their responsibilities; each one serving and protecting all its teammates and vital sources of nourishment and support in *wholeness*; let us all make best efforts to respect, protect, and nourish not only ourselves and our personal surroundings, but all of our supporting teams, communities, and the *universal society and environment* upon which we all depend.

Aligned in this way, with holistic intelligence and commitment — by learning and observing to best abilities all *Our Highest Civic Ideals*; we will attain and sustain mutual security and healthier, happier lives — abundant with the blessings of lasting liberty, creativity, harmony, positive achievements, and joyful fulfillment.

To empower this great endeavor: Let everyone meet basic needs daily. These include deep, conscious, balancing rest in silent meditation. Just as each of our fingers takes ultimate direction and vital support from the whole hand, body, and brain; true transcendence provides effortless yet energizing mental nourishment — & often profoundly helpful, seemingly automatic coordination with other people! This comes easily with simple, natural relaxation into a super-silent state of pure, elemental consciousness that helps connect us all. In this way, gently refreshed and harmonized beyond words and differences, we will keep many distinctions, yet rise above conflict with greater flexibility, grace, teamwork, and creativity; better to meet life's many challenges.

Let each person learn and strive to apply all our civic principles in best balance and proportion to each specific life situation! • Let us all do our best to *Communicate, Cooperate, and Celebrate* inclusively! • Let us embrace holistic good will and mutual respect with courage, honesty, integrity, kindness, and creativity; humility, patience, compassion, generosity, much-needed (and in different ways, often mutual) forgiveness! • Together, let us pursue deep, comprehensive understandings and achieve common and harmonizing goals!

Aiming always for optimal, healthful relationships — and to rebound apace from the *sting* of conflicts, setbacks, and loss — let us seek to evolve best outcomes from any scenario. Let everyone learn, commit to, and experience abundant, earned benefits from *practicing* all our declared and shared principles, values, and ideals!

May fulfillment rest with all those who do their best to seek and share truth and understanding; to sustain responsible liberties and fairness; to achieve traction in effective cooperation; to regain and create healthy environments, pursue restorative justice, and enjoy lasting peace, love, & happiness in commitment to all *Our Highest Civic Ideals*!

STAR ALLIANCE™ • INSPIRING HOLISTIC GOOD WILL VALUES EDUCATION FOR ALL
☆☆☆☆ COOPERATIVE UNIVERSAL EDUCATION FOR SOCIAL SUSTAINABILITY ☆☆☆☆

★ **STAR ALLIANCE**, the original, grassroots, public-benefit organization since 1985, is dedicated to improving safety, quality of life, and environment including the *social* atmosphere for all! How? *Teamwork Makes the Dream Work: Cooperative Universal Education for Good Will - Civic Peace Values!*

★ **STAR ALLIANCE** Declares and offers for all the leaders, institutions, and people of the world: *Highest Civic Ideals*. These are principles of healthy, sustainable behavior expressed in a non-factional, universal way — to help people create and maintain better relationships at every level of society. Everyone is invited to be a *Star Citizen*™ by learning and practicing all the vital declared, “guiding-star” points of value. ★ In an age of tremendous positive and negative potentials — stretching all the way to *Nuclear Winter(!)* — everyone matters! ★ Leaders and people everywhere must learn and practice socially responsible behaviors. Governments cannot control nor do it all, nor should they. *To change every-thing, we need everyone!* Education and inspiration to *Civic Peace Values for All* will help us meet the collective challenges we face. Only then can *The Human Family* be sure to survive.

★ **Your citizen-powered STAR ALLIANCE** has carefully crafted our core educational peace documents over many years. And, we have initiated *The Vocabulary of Peace*™, an approach to values education and culture through language. We have conceived of *Star Alliance Academy*™: to train social trainers — schoolteachers, first responders, military and civilian leaders and other professionals in effective skills of values education for schools, governments, business, nonprofit institutions, the professions, law enforcement, and rehabilitation. With good funding and cooperation we will strongly manifest our noble plans for creative curricula and public service messaging via arts and media.

★ **Everybody’s Global Victory Campaign for World Peace**™ will appeal to everyone to commit to or further refine, honor, endorse, and promote the principles. We will license our catchy name, slogans, educational materials and logo — *The Arc of Rainbow Stars*™ — for global cobranding and deployment in cities, states, and countries; working with nonprofits, NGO’s, and businesses; coalitions, writers, producers, stations, and networks including public broadcasting and The United Nations.

★ **You can be a part of history!** We invite funders and organizations to make critical investments of *time, space, talent, and treasure to:* ★ 1) build our digital infrastructure, ★ 2) preserve our history, ★ 3) develop more catalytic educational materials, and ★ 4) cooperate for bold promotional programs.

★ **Please be persistent to reach us.** With a small, currently all-volunteer office, a call or text to 510-220-7464 will help. ★ You can make a gift or volunteer your time and skills, attend Zoom meetings, offer strong technical support, inform neighbors, host a party, promote an interview, organize a benefit concert, or schedule a STAR ALLIANCE *Good Will Tour* of the Bay Area and beyond. ★ You can attend or help produce an inspiring educational activity for schools, families, friends, neighbors, service groups, government agencies, or commercial teams.

★ **Supporting our organization to build capacity means Star Citizens everywhere will be more quickly informed and inspired to act proactively!** ★ *Time is of the essence.* Our world is in trouble, and everyone is under threat. *Values* influence virtually all behaviors, so STAR ALLIANCE values will help catalytically! A few dedicated volunteers have given enduring support since 1990. Now, angel donors and organizations will be most wise to supply vital wings of cooperation and support.
