Everyone can become a *Star Citizen* — by learning & committing to the whole of these guiding, *star-like ideals*; & doing their best to practice them all in best-fitting, holistic, ethical balance & proportion to the many practical challenges of time & life, resources & society.

Through cooperative, universal education & inspiration to all these *Good Will Wisdom Values*; through sincere, personal & collective commitment to them — through persistent mutual encouragement & social reinforcement — they will become recognized, & in time, largely-internalized social standards for all.

They will help each of us improve our understanding & effectiveness in positive, creative community. With their guidance, we can each contribute to a more secure social atmosphere of holistic good will, respect, & integrity.

Let us resolve, therefore: ★ We shall practice & promote mutual compassion & assistance! ★ We shall preserve, maintain, restore, & enhance public health in a healthful environment! ★ We shall facilitate productive justice & well-earned prosperity! ★ In all these ways & more, we shall help ourselves, each other, our families, communities, societies, & civilization itself: to grow in security, harmony, peace, happiness, joy, & fulfillment.

Therefore, we resolve that *Everyone, Everywhere* shall have early & repeated opportunities to *learn & practice* all these declared values — to exercise, habituate, & share them & their benefits *fairly*, in a universal civilization of commitment, solidarity, & *Friendship First* for all our *Highest Civic Ideals!*

In this way ★ all together ★ we will enjoy wonderful improvements in our qualities of life, liberty, security & happiness — experiencing genuine, lasting peace & love, as we generate & delight in a multitude of manifest joys.

★ STAR ALLIANCE™ ★ GOOD WILL-WISDOM VALUES ★ INSPIRATION FOR ALL ★
★ COOPERATIVE UNIVERSAL EDUCATION FOR POSITIVE SOCIAL SUSTAINABILITY ★

★ **STAR ALLIANCE** is a public-benefit organization since 1985, dedicated to improving the safety and quality of life and environment for all — including the *social atmosphere!* How? *Teamwork Makes the Dream Work! Toward Cooperative, Universal Education and Inspiration for Good Will-Wisdom Values!*

★ **STAR ALLIANCE** Declares, and offers to all leaders, institutions, and *people*: a set of inspiring *Highest Civic Ideals*. These are principles of healthy, sustainable behavior — expressed in an inter-culturally compatible way — to help people create and maintain better relationships at every level. Everyone is invited to be a *Star Citizen™*: by learning, reviewing, and practicing all the declared “star” ideals or *Points of Value*. ★ In an age of tremendous positive and negative potentials, reaching all the way to *Nuclear Winter(!)*, everyone matters! ★ Leaders and *people* everywhere must learn and practice socially responsible behaviors! Furthermore: Governments cannot regulate all behaviors, nor should they try. *To change everything, we need everyone!* Education and inspiration to *Civic Peace Values for All* will help us meet our collective challenges collectively, so that the human family can survive and thrive all together!

★ **Your citizen-powered STAR ALLIANCE** has carefully crafted our core educational peace documents over many years. We have initiated *The Vocabulary of Peace™*: an innovative approach to values education and culture through insights from language. We also envision *Star Alliance Academy™*: to train teachers and other social trainers in effective values education skills for schools, governments, businesses, non-profits, the professions, law enforcement, and rehabilitation. With good cooperation from a coalition of value-aligned institutions and individuals, we will strongly manifest our noble plans for creative curricula, facilities, and public service messaging.

★ **CAMPAIGN GOOD WILL ON EARTH™** will reach out to help everyone learn or review, commit, honor, and share the declared Civic Principles. We will license our catchy name & logo, *The Arc of Rainbow Stars™* — and vital inspirational materials for global co-branding, sharing the values from schools to globe. We will work with governments, public-benefit NGO’s, coalitions, businesses, writers, producers, stations, and broadcast networks.

★ **You can be a part of history!** We invite organizations and individuals to volunteer *critical space, time, and talent!* ★ 1) Help update and build our digital infrastructure. ★ 2) Preserve our history. ★ 3) Develop more catalytic content. ★ 4) Cooperate for bold public promotions!

★ **Please be persistent to reach us!** To reach our volunteer office, please start with a text to 510-848-1818. ★ You can lend your time and skills, attend Zoom or in-person meetings, give technical support, inform neighbors, host a party, promote an interview, organize a benefit concert (with fiscal sponsorship), or schedule a STAR ALLIANCE *Good Will Tour!* ★ You can help produce an inspiring educational activity or specialty video for schools, families, friends, neighbors, service groups, government agencies and business teams.

★ **Help our organization build capacity** ★ & **Star Citizens** ★ **will be blossoming everywhere!** ★ *Time is of the essence!* Our entire planet and many nations are in trouble. Everyone is under continuing threat of the gravest potential of all: Nuclear Winter. Strategy is critical. *Good moral values* influence virtually all human behaviors, and STAR ALLIANCE has proven itself catalytic. A few dedicated individuals have given enduring support since 1990. Now, more individuals and organizations must be wise to supply vital strong wings of cooperative support.
