☆☆☆ STAR CITIZENS ☆☆☆

Pledge of Commitment to Our ☆☆Highest Civic Ideals☆☆

Expanding Set • 1 of 7 • *Main Idea* • 1st Person • For Recital & Signing

I pledge my sincere commitment to all of *Our Highest Civic Ideals*: values of holistic good will, integrity, & lasting benefit for all. I promise my best part to create safe, healthy, fair, productive, sustainable, & happy relationships, communities, & environments at every level: through genuine understanding & *responsible* freedoms, peace, justice, joy, & love.

STAR CITIZENS™ do our best to learn, share, & practice at every level of society all the principles described in our STAR ALLIANCE Declarations, Pledges, & support documents. [Also recommended: The UNITED NATIONS *Bill of Human Rights*.] • Our greatest *Stars* are timeless principles or “axioms” for healthy, sustainable relationships, which constitute the many natural laws & duties of lasting peace & love. Genuine peace & love (that is, not only romance & physicality) are defined by honoring, willing, & working our best toward *all* these declared Civic Principles & Ideals — applied in best proportion to each practical situation. We theorize that the same principles apply (or should) to intimates & families, communities, regions, nations, our world, & beyond; in the personal, social, economic, cultural, political, & legal spheres. • *Holistic*: Taking the whole, big picture into account. Oxford online: “Characterized by comprehension of the parts...as intimately interconnected & explicable only by reference to the whole.” WARNING: Not all people are yet educated or committed to all our declared ideals & principles! Therefore, due caution is advised! (Please also see our “Public Warnings” document.) • Integrative Author: Mr. Peter Bruce DuMont • Anyone may share, but please license for systematic distribution or sale.

• Note: An effortless, practical technique for deep natural relaxation to help virtually anyone feel & act their best is available independently c/o www.tm.org
