**Headline Sponsors of the
Queen of the Castle Festival**

Dear guests,

I am honoured to be able to address you all as Chairperson of the organising committee of Queen of the Castle Festival 2025.

This is the second year of our festival and a massive thank you must go to our dedicated committee who have helped to make this weekend a success.

To our twenty one Queens who have travelled from near and far to compete this weekend and represent their Macra region, county or country - thank you and we hope you really enjoy every moment of the weekend.

On behalf of the committee, I would like to sincerely thank all the businesses, community groups and clubs who have come on board to support, sponsor and collaborate with our festival this year, especially our main sponsors Daltons Haulage of Cahir and Statkraft solar company, without you all this weekend would not be happening.

Thank you also to Tipperary County Council for their municipal festival grant aid which has been the cornerstone from which we built our festival.

A big thank you must also go to our amazing host families who have provided our Queens with a home away from home this weekend and to our three wonderful judges Kim Connolly, John O'Connor & Hughie O'Donnell who have so generously given up their time this weekend to do the impossible and select the winner of Queen of the Castle 2025.

Thank you also to our amazing MC Jamie Flannery and to all the venues, musicians and performers who have helped to make this weekend as entertaining as possible.

To David, Robert, Pauline & all the team in Cahir House Hotel for being our host venue for the formalities and for going above and beyond every step of the way.

Last, but by no means least, a massive thank you to Councillor Andy Moloney who has been on this journey with us from day one back in January 2024 when we first established the festival and who has been always just a phone call away if we had a questions or needed assistance with anything.

*Organising Committee Chairperson,
Anita Loneragan Casey*

Thank you to all our sponsors and
partners who have contributed to our
festival in any way.

We are truly grateful for your
continued support.

Cleanline Farm Services was formed in the year 1990.

Delivering quality dairy hygiene products direct to farm, accessing wash routines and milk test results evolved into a good business relationship between Joe Hayes and his dairy farmers. Thirty years later, Cleanline Farm Services has a dedicated team with 6 dairy specialists. Choosing a good quality dairy hygiene product is essential for consistent results on farm. Therefore, Cleanline Farm Services took the ownership of the dairy hygiene formulations in 1993.

Our dairy detergents & descaler product line was developed by B.F.S. in Germany 40 years ago. Since, the composition for these products have been the same, because constant results are more important than saving a few euros. Besides the on-farm dairy services, we also have a 20,000 square feet agri shop and agri store based in Tipperary Town. Our agri shop offers a wide range of dairy hygiene, animal health and animal feed products.
